### WSF

WSF. is sponsored and organized by the I.O.C. through the many active clubs and organizations on campus. These clubs and organizations nominated the winter court of seven princesses. At a special assembly the winter sports teams were recognized and the winter court presented. The winter sports include soccer, wrestling, girl's bas-

ketball and boy's basketball. After the assembly the A.S.B. voted for the W.S.F. Queen. Activities during the week included a tricycle race, with princesses and their escorts, a Donkey Basketball game and the crowning of the queen during halftime of the boy's basketball game against Artesia followed by the W.S.F. Dance.

#### BEST OF LUCK

Forever the fond memories will remain in our hearts,

Times of laughters, tears, and friendships made through the years,

Together we've shared the experiences, which we will always cherish,

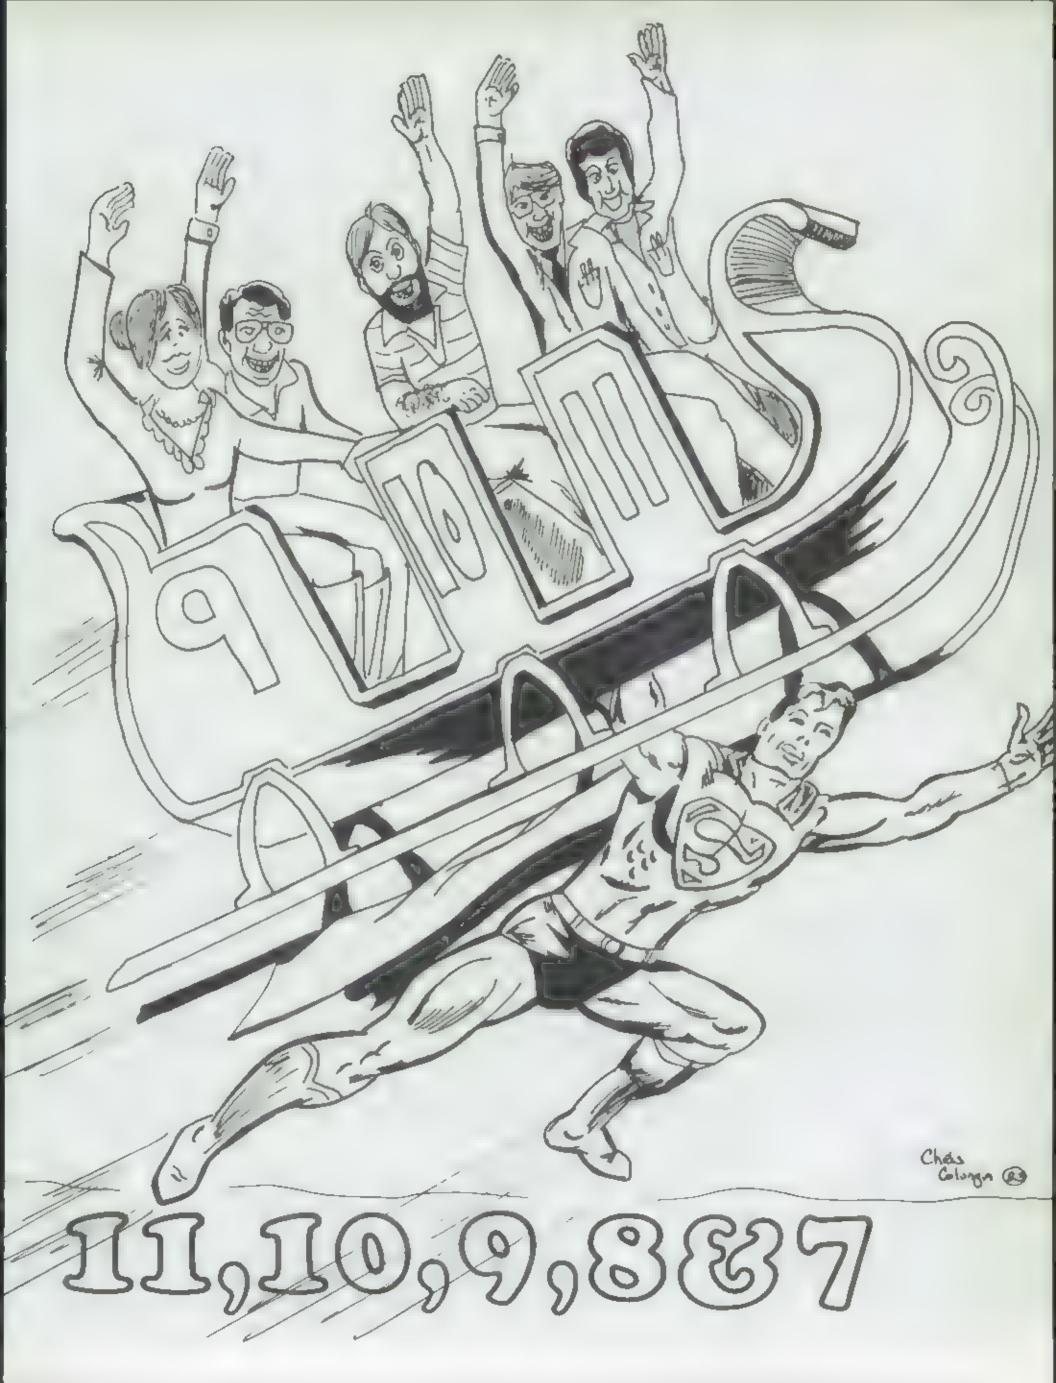

Leaving all the good times behind, brings Sadness to one's heart.

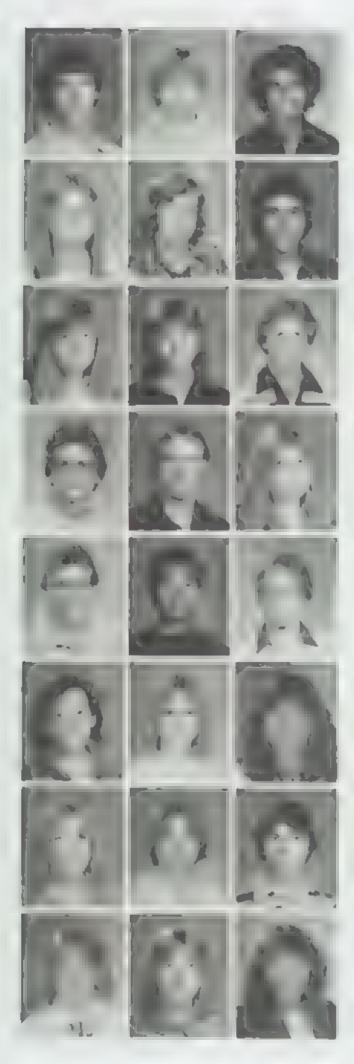

For now our high school years are coming to a close,

We've prepared and strived to reach this graduation day,

We look to it with mixed emotions,
not knowing what is ahead,
But ready to face the unknown.
Farewell my friends, the class of '83,
we wish to you the best of luck.
And all of the success the future can bring.

#### 1982

As the defending Suburban League Champions, the Bucs faced a tough season. With everyone out to get them, the Bucs rebounded to win opening games against Glenn and Mayfair. James Rivera earned the MVP Award, while teammate Tony Cannata walked off with the Most Valuable Back Award. With stats such as 656 yards of rushing and 48 total points, Tony was a strong candidate for MVP. Tom Carney and Dan Samano earned the Most Valuable Linemen Awards, while Sam Weber received the Most Improved Award. The Joe BucsAward was given to Randy Vanderbrink.
